The random allocation of the 25 prizes at each location will be different, but for each location there will be an order in which the prizes, when won, will be issued.

Details of the independent allocation for each location will be known to the organiser and available at the end of each activity should anyone wish to check.

This Promotion is in no way sponsored, endorsed or administered by, associated or affiliated with PureGym. Entrants to this promotion hereby release PureGym from any claim or liability suffered in connection with this promotion.

8. At any of the locations, once all the prizes have been won, the experiential team will advise of the situation and the wheel will be removed and no more entries will be allowed in that promotion period.

9. Any prizes remaining at the end of the promotion will be deemed void. There are 25 prizes available to be won in each participating location.

10. Prizes are subject to availability; the prizes at each of the locations have been distributed based on a randomised selection process which has been independently overseen for each of the 10 venues.

**Winner Selection:**

11. There will be x25 winners per location, and therefore 250 winners in total. Entrants have a 1 in 14 chance of winning, and their win will be determined by chance based on where the wheel lands. Winners will find out immediately if they have won a prize and which prize has been won.

12. The Promoter reserves the right to assign an Event Manager to oversee the promotion at each location. The Event Manager reserves the right at their sole discretion to disqualify any entrant found to be tampering with the operation of the Promotion; or to be acting in any manner deemed by the
Event manager to be in violation of the Terms and Conditions; or to be acting in any manner deemed by the Event Manager to be disruptive. The Event Manager’s decision is final.

**Winner Notification:**

13. The Winners will be told immediately whether they have won. Prizes will be awarded to winners immediately after the win by the Event Manager in accordance with the randomised selection, which will be different for each location.

14. Once all prizes have been claimed, the opportunity to win prizes shall cease. Should there still be YES! bar samples to hand out, the Spin to Win wheel shall be removed from site whilst the sampling continues.

15. Prizes are awarded in chronological order as per the allocated prize list (set by an independent process and made available to each event manager for each event). Prizes are non-transferable and cannot be exchanged or returned. No cash or other alternative to the prize is available in whole or in part. In the event of unforeseen circumstances, the Promoter reserves the right to substitute an alternative Prize of equal or greater value. The prize will only be awarded directly to the winner.

16. In the event the winner does not accept the prize on offer, the prize shall be added back into the allocation list (and added to the end of the allocation list, thus ensuring the initial allocation is given out first, as per the random selection) to be won by another consumer.

**General:**

17. All entries must be made by the entrant themselves. One person per entry only. If an applicant has been seen to be cheating or manipulating the wheel in their favour, they will be immediately disqualified.

18. The Promoter reserves the right to verify the eligibility of entrants. The Promoter may require such information as it considers reasonably necessary for this purpose and a prize may be withheld unless and until the Promoter is satisfied with the verification.

19. The winners agrees to allow the Promoter to use their name, and county of residence to announce the winners of the Promotion. The Promoter reserves the right to publish the name and county of residence of the winners.

20. Winners may be required to take part in reasonable publicity relating to this promotion without further remuneration.

21. If for any reason any aspect of this Promotion is not capable of running as planned, including by reason of tampering, unauthorised intervention, fraud, technical failures or any cause beyond the control of the Promoter which corrupts or affects the administration, security, fairness, integrity or proper conduct of this Promotion, the Promoter may in its sole discretion cancel, terminate, modify or suspend the Promotion, or invalidate any affected entries but will endeavour to minimize the effect to entrants in order to avoid undue disappointment.

22. If an act, omission, event or circumstance occurs which is beyond the reasonable control of the Promoter and which prevents the Promoter from complying with these Terms and Conditions the Promoter will not be liable for any failure to perform or delay in performing its obligation.

23. The Promoter will only use the personal details supplied for the administration of the promotion and for no other purpose, unless the Promoter has the entrant’s consent. Personal details will at all times be kept confidential and in accordance with the Data Protection Act 2018. 24. The Promoter and its associated agencies and companies will not be liable for any loss (including, without limitation, indirect, special or consequential loss or loss of profits), expense or damage which
is suffered or sustained (whether or not arising from any person’s negligence) in connection with this Promotion or accepting or using the prize, except for any liability which cannot be excluded by law (including personal injury, death and fraud) in which case that liability is limited to the minimum allowable by law.

25. The decision of the Promoter shall be final in relation to all promotional matters.

26. If any of these clauses should be determined to be illegal, invalid or otherwise unenforceable then it shall be severed and deleted from these Terms and Conditions and the remaining clauses shall survive and remain in full force and effect.

27. These Terms and Conditions are governed by English Law and shall be subject to the exclusive jurisdiction of the courts of England and Wales.
